## **Office Hours**

### **Fall 2023**

I haven't yet established an office hours routine for the new semester. I am around and available after class on Mondays and Wednesdays. My classes end at 5:20 p.m. and 9:00 p.m., and I head to my office as soon as they are concluded.

We can easily set up another time (and place, even) to meet, in person or virtually. Just email a proposed time or two to me at [bojack@lclark.edu](mailto:bojack@lclark.edu).

Email correspondence is also welcome. Just email your questions, comments, concerns, etc. to [bojack@lclark.edu](mailto:bojack@lclark.edu). I try to answer course-related email within 24 hours of receiving it.
