

Jack Bogdanski
Office Hours
Spring 2026

Through Last Day of Classes (April 15)

I will be in my office ready to meet with students after my classes. These meet on Mondays and Wednesdays. I am on a late afternoon-late evening schedule this semester.

My afternoon class (in Room 8) meets on **Wednesday** only. It lets out at 5:30, and so I should be back to the office by **5:45**. I can meet until 6:45.

My evening class (in Room 7) meets on **Monday** and **Wednesday**. It lets out at 9:00, and so I should be back to the office by **9:15**. I can meet until 10:00.

For those who are on a different clock, I am also available to meet in person or by video call at other hours, on Tuesday, Thursday, and some Friday afternoons. Please email me at bojack@lclark.edu to arrange a time and format.

Once we enter into exam preparation season (as soon as classes end), my office hours will change, and a sign-up procedure will take over. These hours will be posted in early April.
